We proudly dedicate the 1982 Warhorse to Mr. Samuel McKay. Not only has he been a member of our faculty and administration for a long time, but he is also a former chemistry teacher.

All of us have love and respect for Mr. McKay. He always has a friendly smile or even a hug for the students he meets. Mr. McKay cares about the welfare of all the students. He wants Peabody Magnet to give all students the incentive to be leaders of tomorrow.

Now he has received the title of Director of Magnet Programs. We are all happy for his accomplishments.

The 1982 Warhorse Staff and Advisor would like to thank him for all he has done to help us in all ways.

Dressed to Kill!!!

Julia Burns — Features Editor

All American Cowgirl?

Funky Funky Funky!!!

BAD MAMA JAMMA???

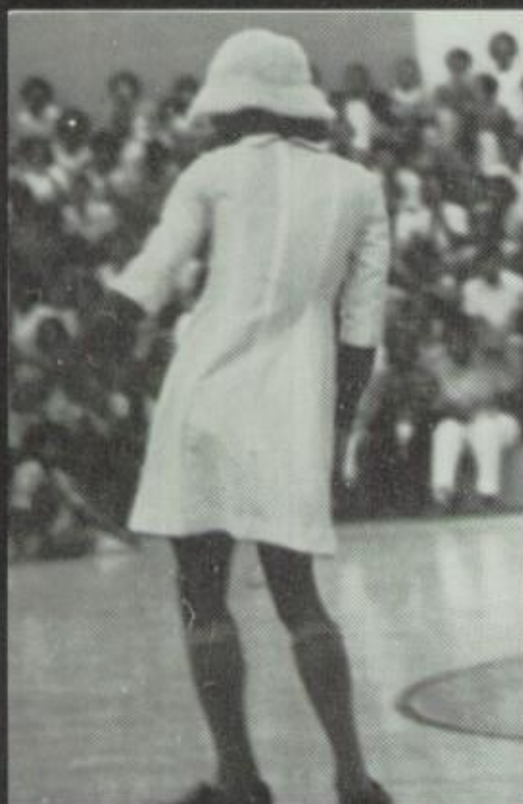

Could this be Charlie's Angels???

I wish she would go away from my desk.

Stop-Day-dreaming

Get it mama, Get It!

Boy this is good!

You better watch it behind my head!

Oh how sweet they look. FOR A CHANGE.

This would never work out.

Get your hands off!

Cool Cool

What's this?

Get to work, young lady.

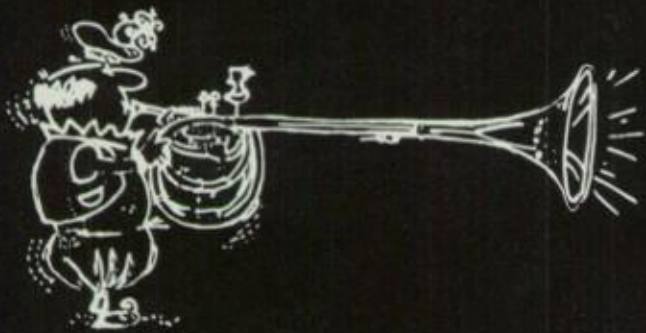

She needs to hide her face.

I hope she doesn't think too hard.

They are dressed their best.

Try catching up, boy.

Could they be twins?

What is she trying to prove?

What a good couple?

JAM THE BOX 'HORSES

Ya'll ever been to a concert?? Well the yearbook staff has, and we figured Peabody was like a big, long, concert. We hope this year's Warhorse will feature all the things found at a concert.

SO LET'S START THE SHOW . . .

Wonder Who Controls the

People at a Concert??

Security
Guards!!

That's Who

Dear Seniors,

A new and beautiful stage of your life now approaches. You will have many opportunities in life, and the degree to which you have prepared will help determine the extent of your success. Some of you will be independent for the first time and will be seeking a niche in the job world. Some will be expanding your education by enrolling in college or a trade school; however, all of you will be testing your abilities to function in a free society. I pray you will utilize the following advice to live in this society. Be true to God; be loyal to your employers and to your country; be diligent and punctual in your work; and believe in yourself because you are only as great as you desire to be.

Respectfully,

Jim Cleveland

Peabody Magnet Student Council works to promote student involvement at Peabody Magnet High School. We attempt to provide school spirit. The major objective of our Student Council is to establish understanding and unity between the administration and the student body. We serve as the major source of government and organization for the students. Through our work and determination we show our pride in Peabody Magnet High School.

The Future Business Leaders of America is a national vocational youth organization open to all students enrolled in business subjects. It is an integral part of the instructional program in Vocational Business and Office Education. The main emphasis in the local school is to strengthen the confidence of young men and women in themselves and in their work, and to create more interest and understanding in the intelligent choice of business occupations.

The computer based program is the newest area at Peabody Magnet. Students enrolled in this course work with computers on a daily basis giving them the opportunity to be involved with one of the fastest growing fields of education today. We are glad the computer based program is a part of Peabody Magnet and hope that it continues its progress as an attraction to new students.

E

Cooperative Office Education is a cooperative work and training program for high school senior students who have completed the necessary prerequisites and are preparing for employment in office occupations. The student receives individual instruction that is related to his individual job needs and career goal. This makes employment itself a part of the basic educational program, where in the student attends school part of the day and works in an office in the community. The number of hours spent in the office for on-the-job training should be no less than fifteen hours per week and when added to the number of hours spent in school should not exceed forty hours per week. Upon completion of the COE Program, students will be ready for immediate employment in entry-level jobs. They will also have an extensive background for further study in secretarial science or business administration at a two or four year college, university, or technical institution.

The D.E. department gives students the opportunity to "earn while they learn". Students on the D.E. program work in jobs which give them practical experience in the distribution of goods to the public. In addition, D.E. students are involved in various school programs designed to increase their knowledge of the business world. We at Peabody Magnet are proud of our DE program and the local, state, and national recognition it has received.

The nursing program is located at AIKEN campus. It is a two year program designed for students who wish to pursue a career in the field of nursing. Upon graduation, these students are awarded a nurses' aide certificate. In addition, nursing students may eventually work for an LPN license within six months by attending trade school.

Lyndon Johnson — Drum Major
Norma Walker — Drum Majorette

The Peabody Magnet Band under the direction of Lester Williams, presented many outstanding halftime shows and concerts for our pleasure. This year's band also added excitement to the competition and parades of which they were a part. Their dedication and hard work are always paid off with standing ovations and applause.

When you as subscribers of the 1982 WARHORSE receive your yearbook, all you see is the finished product. Much time and effort have been put forth with many people contributing to make a successful book. There are many people who should be thanked for their time.

We appreciate Provine studio for taking club and organization pictures. To Monica Drew, Jerry Franklin, and Diana Sayes, we say a very special "thank you," for always being ready to snap a picture here and there. To all the faculty and the administration, thanks for your cooperative attitudes. Last but certainly not least, a big hug and "thanks" to the staff and the editor, Julia Burns.

How can anyone record long classes and short breaks? How can anyone make permanent the tears that have been shed, the laughter that was enjoyed, and the dreams that were fulfilled or shattered?

We have tried to spotlight another year at PMHS. It is just a book — mere paper and ink, pictures and copy. Trying to put feelings into the limits of the printing medium is a difficult task. Hopefully by looking at each piece of copy, you will remember the solitary and peaceful occasions, the rewarding and proud moments, all the happy-to-lucky occurrences, and even the sad and heartbreaking happenings during the year. We have lived them this year, and we will remember them in the years to come.

Who Pays the Bill??

The Promoter

We Hope!!

The Warhorse Yearbook Staff and the Student Body would like to express their sympathy to the family and friends of the late Mr. Daniel A. Anderson. The loss of Mr. Anderson will be felt by this community and the students of Peabody Magnet High School. Mr. Anderson was a true friend of education and a fighter for his beliefs. He will be truly missed.
